# ICON 32KM ECO-SOLVENT Roll-to-Roll

**The ICON 32KM Series is today the fastest economical Roll-to-Roll 3.2 meter Solvent/Eco Solvent printer of its kind. Equipped with the Konica Minolta 512i print head, the ICON 32KM Series is designed to deliver amazing print quality at astonishing speed. The double linear Rail provides steady movement of the carriage. The vinyl bracket system has a negative pressure system with temp control. The ICON 32KM Series pulling media system addresses the issue of sticky media. The ICON 32KM Series is the perfect printer to have for large production at minimal cost.**
